Name: Answer Key Date: _____

Invitation to Edit

all 25 soldiers marched past the bug crowd,
nervously hoping they'd make their queen proud.

1. Circle 3 mistakes in the sentence. Rewrite the sentence correctly:

All 25 soldiers marched past the crowd,
nervously hoping they'd make their queen proud.

2. Sort the words:

nervously lonesome neatly unhappy
sternly cool slender sharply

adjectives	adverbs
lonesome unhappy cool slender	nervously neatly sternly sharply

3. Write a sentence using one adjective AND one adverb from above:

Answers will vary

Cut out the flaps and glue them into your notebook. Then, divide the 25 soldiers from the book into equal groups using the sections on the bugs. Underneath the flap, write the division problem that matches the model on the front. Don't forget the remainder if there is one!
